

JONES OF WASHINGTON

ROSÉ OF SYRAH 2017

The 2017 Rosé is a pretty pale salmon color with pink highlights that is inviting and elegant! Fragrant notes of Rainier cherry, ruby red grapefruit, strawberry preserves and candied fruit are followed by hints of lime zest and strawberry blossom. The palate is delicate yet rich and intense. On the palate flavors of wild strawberry, watermelon Jolly Rancher, tart rhubarb and more Rainier cherry jump to the front. The finish is clean with a crisp, zesty acidity along with flavors of lime zest and grapefruit rind and a distinct minerality. Serve chilled and with an array of food...enjoy!
