JONES OF WASHINGTON

JACK'S RESERVE CABERNET 2012

Our Reserve Cabernet Sauvignon has a touch of Cabernet Franc to add complexity and character. It opens up on the nose with vibrant dark blackberry and red currant aromas followed by fig, light fennel and a floral rose fragrance. On the palate it is layered with concentrated cranberry and pomegranate and hints of dark plum and transitions into earthy tones of black tea and dried tobacco with generous acidity and tannins making this wine enjoyable by itself or with a hearty meal.
