

NINE HATS WINES

Long Shadows Vintners winemaker, Gilles Nicault, and founder, Allen Shoup, have been experimenting with the Columbia Valley's top vineyards to produce a style of Chardonnay they both enjoy. Complex, expressive and beautifully balanced, this wine is 100% barrel fermented in French oak.

2015 Nine Hats Chardonnay:

100% Chardonnay

UPC: 8 56724 00324 3

Production: 403 cases

This Chardonnay has a beautiful light golden hue and displays aromas of stone fruit and minerality. Its texture is well balanced by bright acidity and a vibrant mid-palate that provides layers of depth from beginning to end.

It was primarily sourced from the Boushey Vineyard in the Yakima Valley, a cooler AVA that helps retain its acidity and elegance. The remaining Chardonnay came from The Benches Vineyard at Wallula which provides added complexity. The wine underwent 100% barrel fermentation and was aged for 9 months in 100% French oak barrels (30% new).

Alcohol 14.1/ pH 3.68/ TA 0.57
