

SYRAH

SIERRA FOOTHILLS

Winemaker Notes

Andis Syrah is a testament to what our region has to offer through the lens of this remarkable variety. It is a blend of some of our finest vineyards grown at higher elevations. The soils are mostly granitic and well-drained, perfectly expressing a leaner and savory Syrah. The wine opens with spiced plum, wet forest floor, and lavender scents. Crunchy and thrillingly dynamic, with an elegant structure and firm tension.
