Production Notes

100% Roussanne from Summit View Vineyard. This wine is fermented and aged sur lie in neutral French oak barrels; for balanced fruit and enhanced mouthfeel.

Vineyards

• Summit View Vineyard, Walla Walla Valley

Winemaking

- Hand harvested grapes
- Picked early in the morning
- Whole cluster pressed to stainless steel to settle out solids
- Fermentation took place in neutral French Oak barrels
- Partial malolactic fermentation prior to blending
- Blended and aged 6 months sur lie
- Light fining and cross flow filtration prior to bottling

Vintage

- 2022 was cooler than average growing season overall.
- Bloom and bud break were delayed slightly due to cooler temperatures with increased moisture throughout May.
- The summer months were consistently warm allowing us to catch up some on long term averages, with veraison occurring about two weeks later than normal.
- Harvest began on September 22nd and lasted through October 28th
- This vintage has led to increased hangtime in all varietals, developing complex wines with good natural acids and beautiful fruit expression.
