98% SYRAH

2% VIOGNIER

THE WINE

From the famed Stone Ridge Vineyard, this wine is inspired by Côte Rôtie, a region in the northern Rhône Valley where they co-ferment Viognier with Syrah. This technique enhances the blue hue, making the wine rich in color with a hint of floral aromatics. Kinda cool, huh? We always adorn our single vineyard Syrahs with artist series labels and this one was "commissioned" by our niece, Aila. We enjoy this wine with her family, especially on Oahu where they call home.
