

# 2020 BLANC DE BLANC

*Cox Vineyard, Mendocino*

---

## VINTAGE NOTES

The Cox Mendocino County ranch encompasses roughly 30 different vineyard blocks for many varietals including the Chardonnay grapes used for our Blanc de Blanc sparkling wine.

The vines grow on a mix of gentle hills, steep slopes, and along the creek banks in rocky clay and red volcanic soil. This terroir allows their vines to thrive and creates wines of unique character.

## TASTING NOTES

On the nose, aromas of white peach nectar, honeysuckle, vanilla bean crème anglaise, Meyer lemon curd, and toasted hazelnuts. The palate is full of bright fruit notes of green apple, lemon zest, and hints of lemon verbena. The finish is bright and clean with a beautiful balance of fruit and acidity.

The Cox vineyards are certified organic by CCOF.
