

Coral

Grand Valley, 2023

100% Cabernet Sauvignon

Vineyard Details

100% Theresa's Vineyard Cabernet Sauvignon, *Multiple Clones*,
Planted 2001

Production Notes

The 2023 harvest had a later start compared to the last four years due to more calm and mild weather patterns in September. The temperate conditions allowed for a larger harvesting window for the Cabernet Sauvignon designated to become Coral. This weather paired with upgrades to our destemming equipment has led to a lighter in color and crisper 2023 vintage. 100% Stainless steel. Bottled 12/4 through 12/6/2023. 1755 cases produced.

Winemaker's Notes

Classic fresh red fruit driven nose includes strawberry and raspberry. Bright and refreshing acidity is balanced with a touch of residual sugar which helps drive the fruitful experience on the palate. Best served chilled.
