The 2023 Pinot Gris is from two vineyards, our estate Valois Vineyard and neighbor to the north, Caywood Vineyards. Both sites sit about 3 miles from one another but have very distinctive soil types but both being very deep and well drained. The pinot gris from our estate Valois Vineyard sits predominately on the Howard series with a small amount of the Valois series to the southern part of the block. The Caywood Vineyards pinot gris is on the Honeoye series and is comprised of silt loam with gravel and cobbled rock fragments formed from glacial plains and ridgelines.
