

Edio

2023 ALBARIÑO

Estate Grown at Delfino Farms. The grapes were picked at 21.6 Brix when acid and flavors were at optimal levels. Stainless steel fermented and aged.

Pale yellow in color. On the nose, this wine is very tropical with fresh citrus notes such as lemon and grapefruit. The palate follows suit: acid-driven with good weight, balanced mouthfeel, and hints of salinity.

VINEYARD: DELFINO FARMS

VINEYARD ELEVATION: 2850 FT
