

Flat Creek Estate Port VII

The Story:

The Flat Creek Estate Port is crafted from traditional Portuguese port wine grapes grown on the Estate specifically for this unique wine. Each vintage of Port is aged in neutral oak barrels and eventually added to the Port Solara which includes multiple vintage years spanning 2002 through 2014.

The Tasting Notes:

Bottled in 2015, the Port VII is ruby-garnet in color with aromas of plum pudding, rich dark chocolate, blackberry preserves and cigar. The palate delivers sweet spices and flavors of dark currants and prunes. A classic match for sharp crumbly cheddar, dark chocolate or a good cigar.
