

Flat Creek Estate Reserve Beclan 2013

The Story:

Good luck finding another Beclan in the United States. This almost extinct grape varietal is sparsely grown in the Franche-Comté region of France and almost never bottled on it's own. We hope you'll take advantage of this once in a lifetime opportunity to taste a 100% Beclan wine!

The Tasting Notes:

Our 2013 Beclan shows the true characteristics of the grape varietal. It is bright and lively with hints of raspberry and Strawberry and quite reminiscent of Pinot Noir. The wine is low in alcohol and a great complement to the traditional Franche-Comté foods, cheese & charcuterie!
