2021 IMAGINARIUM RED BLEND BY FORGERON

VINTAGE NOTES

In 2021 we had a bit of an odd start. We experienced a push and pull with the weather conditions throughout the growing season. The growing season started off with much warmer temperatures in the spring that led us to expect an early harvest, but temperatures lowered to a more optimal level during the summer months. With the proper temperatures continuing through to the end of summer we were able to wait for the most ideal moment to harvest the fruit. The optimal harvest conditions allowed us to develop comprehensive varietal character in the finished wines.

SENSORY NOTES

Imagine a wine that is medium weight, full-bodied and fruit-forward in your mouth, spicy on your nose and delightfully brilliant to behold. Now open your eyes and enjoy a glass of our Imaginarium Red Blend, a collaboration of Bordeaux and Rhône varietals melded into a fun, drinkable and imaginative red wine. The flavors of dark berries, anise and raspberry are unrestrained yet approachable, and you might notice the lingering floral notes on your palate...so do we.
