2020 SYRAH

Boushey Vineyard, Yakima Valley

Initial aromatics offer an inviting perception of sweet dark fruit jam. On the palate, a delicate citrusy note emerges, accompanied by a pronounced presence of Tulare cherry that commands attention. A graceful balance between oak influence and ripe, juicy fruit complements the medium body and acidity that carries through to a mouth-watering finish.

VINTAGE NOTES

The 2020 vintage started as most years do and harvest was anticipated to be a bit earlier than the previous year. Around July we saw temperatures begin to change, which caused the ripening process to slow and result in later picking dates, and we ended up harvesting just a few days apart on most varietals from the previous year. We did experience smoke through the season, but with precautions taken at the winery (bucket ferments) were able to avoid its impact entirely.
