### ACIDITY

### TANNIN

## TASTING NOTES

**EARTHY · LICORICE · DARK BERRIES**

Noblemen's Reserve is a bold blend with rustic earthy aromas that leave one traveling through flavors of licorice and smooth, dark berries. Pair with lamb or venison for an ideal food and wine experiences.

## WINEMAKER'S NOTES

**SERVE AT 65°F**

Fredericksburg was founded by Prussian bureaucrat, John O. Meusebach. He had a vast interest in what was called the Republic of Texas, and wanted to pursue his interest in geology and horticulture. He proudly served as Commissioner General of the Society for the "Protection of German Immigrants in Texas," also called the "Noblemen's Society."
