Produced: 250 cases

SYRAH PRIVATE RESERVE

WINEMAKER'S NOTES:

The rich soil of the Red River Valley in Denison, Texas where the Syrah grapes are grown impart a complex earthy undertone that complements vanilla notes imparted during oak aging. Serve at 65 degrees F.

TASTING NOTES:

Our Private Reserve Syrah captivates the palate with flavors of rich, dark blackberry and strong spices. This hearty and robust wine is well balanced with structured tannins and a lingering finish. The exotic nature of this full bodied wine makes it a perfect pairing with beef, game meats, stews, lamb, and bold cheese.

AWARDS:

Our Private Reserve Syrah has won Texas Class Champion and a Gold Medal at the Houston Livestock Show and Rodeo | Rodeo Uncorked! International Wine Competition.
