

IDILICO

2021 Idilico Graciano

Winery:

Idilico is Pomum Cellars' sister brand focusing exclusively on Spanish varietal wines grown in Washington State. The goal for Idilico wines is to bring to the consumer's attention the potential of Spanish varietals in the great Washington State terroirs of the Yakima Valley.

Wine:

What a treat!! This is 100% Graciano custom planted for us by Upland vineyard near Sunnyside, WA in the Snipes Mountain AVA. A relatively unknown variety from the Rioja wine region of Spain that is primarily used to enhance the color and acidity of Tempranillo blends. It is rarely showcased as a stand-alone varietal wine due to its unreliable late ripening. In Eastern Washington it ripens just perfectly due to a warmer climate and produces one of the most unique wines you'll ever try.

Fermented for two weeks on its skins and aged in small French cooperage for 18 months. The nose shows intense aromas of blackberries, dark cherry and pepper. The palate is bright with a zesty acidity, flavors of juicy blackcurrant and cherries, and an infinite finish.
