2023 WONDERLAND GRENACHE

If I had a world of my own, everything would be nonsense. — Alice, in *Alice's Adventures in Wonderland*

2023 Wonderland Grenache is full of the quixotic wonders of Grenache with a little help from its friends Syrah and Mourvèdre. Together they create a beauty with notes of baking spices, white pepper, tapenade, citrus, strawberries, mushrooms and things you may sense that perhaps are only for you. Tasty now and sure to unveil more goodies as time goes by.

Food pairing: Barbecue, which is a noun, or wild mushroom cassoulet

Movie pairing: *Alice in Wonderland*, duh
