### Tasting Notes:

Best to enjoy on a cold winter's night - it will warm your soul. Subtle aromas of new leather, ripe bell pepper and hints of black pepper. Smooth like black velvet with a touch of apricot, blackberry, and violet. Finishes strong but clean with black current, cassis, and subtle licorice.

Food Pairing Notes: Our well balanced traditional style Cabernet pairs well with a multitude of dishes. Enjoy this with lamb skewers, pork sliders, steak and blue cheese salad, Prime Rib, and even Mac & Cheese (try a truffle mushroom mac to really add depth).
