Produced by light skin contact, this 100% Sangiovese Rose is perfect for any occasion with friends and loved ones. This wine makes weekdays, Happy Hours and Sunday brunches sparkle. You can not go wrong with this deliciously well balanced, dry rose.

Tasting Notes:

This wine has aromas of honeydew, and dragon fruit. On the palate one finds fresh picked strawberries and orange blossoms finishing with a hint of lemongrass. Refreshing and lively, this dry Rose of Sangiovese offers finesse balanced by mouthwatering acidity and an elegant finish.

This wine's light, fruit characteristics make it a natural choice for pairing with fresh seafood like salmon, crab or shrimp, and game meats like duck, cornish hens or turkey. Try with Salade Nicoise, melon and prosciutto.
