Aging	1 year in New French Oak
Bottling Date	4/19/2021
Cases Produced	100

An multi-award winning premium Chardonnay. Grapes from the Tondre Grapefield in Santa Lucia Highlands are barrel fermented and aged for over 1 year in new French oak.

Tasting notes

Produced in a more traditional french fashion, this oaked Chardonnay balances ML fermentation with oak aging to create a crisp and smooth white wine with aromas of honeydew, light toast and creme fraiche. On the palate, our 2019 Chardonnay displays a harmonious blend of asian pear, orange blossom and hints of starfruit, finishing with a hint of pie crust.

Pair this wine with subtle spices and silky textures. Lobster, risotto and squash are a winning match!
