This wine is a blend of Zinfandel and Temperrillo. It is a very drinkable, easy tasting red that goes well with pizza, pasta dishes, steak, chicken and many other dishes. We believe that this is a everyday, every meal wine.

Tasting Notes: Our red blend is chianti in style and characteristic, showcasing a ruby red hue. Well balanced, fruity and structured, this blend is a perfect combination of light heartedness and bold undertaking. A strong, fruity flavor, with hints of balsamic vinegar and pepper.

Pair this wine with anything or nothing at all! We especially love this with pasta, pizza, burgers and more.
