Our Malbec is characteristically vibrant, fruit-forward, and full-bodied. It reflects the altitude of the Chalk Hill region. The nose is intense with cedar box, violets and leather.

On the palate, the wine is mellow with supple tannins that flow easily from front to back. Cherry, chocolate, and some floral notes of geranium and morning glory, dominate the flavor profile of this wine. The finish is characteristic of Malbec and comes across with toasty oak blended with fresh ripe berries and spices.
