Alcohol	15.5%
Wine Style	Medium Full Bodied Red
Aging	12 months min French Oak
Bottling Date	06/20/2025
Cases Produced	200

An unfined and unfiltered, coastal Pinot Noir that has full aromas of cassis and sweet spice with a hint of fresh earth. The mid-palate is rich in dark cherry and delicately toasted french oak. A complex finish with spice and deep, dark fruit.

Tasting Notes:

Medium ruby and deep purple hue with full aromas of cassis and sweet spice with a hint of fresh earth. The palate is rich, nearly full-bodied, with ripe black fruit, subtle spice and vanilla. Toasted oak, leather, and dark cherry is sustained on the midpalate. The finish is complex with balanced acidity and mouth-filling tannins that balance the generous fruit intensity of this wine nicely.

Food Pairing Notes: As our Pinot is a coastal style with bigger rounder notes, it can hold up to many entrees and fun flavorful dishes. Seared duck breast, wood planked salmon and mushroom burgers are always a hit.
