Wine Style	Light Bodied White
Aging	Stainless steel
Bottling Date	03/24/2025
Cases Produced	100

From the Steven Gribaudo Vineyards in Acampo Lodi AVA to “the highest and coldest winery” where winemaker Katy Carroll Jones performed an ultra cold fermentation using the natural cold sierra temperatures to achieve a well balanced, fruit forward wine with great structure. This wine offers bright aromas of pears and sliced apples with lime and grapefruit blossom notes. The palate is crisp with white peach and lime flavors, finishing cleanly with rounded acidity.
