## 2023 TRUJILLO NAPA VALLEY

### CABERNET SAUVIGNON

#### *Vintage Notes*

The 2023 growing season stretched out beautifully with consistent, steady and mild weather throughout the entire growing season giving way to favorable extended fruit hang time resulting in exceptional high-quality fruit. Harvest weather was cooperative and yields came in strong with superior quality thanks to the extended hang time.

This 2023 Trujillo Cabernet Sauvignon gracefully expresses the rewarding attributes of a perfectly tailored grape growing season. Fresh, forward aromatics lead generously to layers of complexity and finesse on the nose. Plush notes of black cherry, dark currant, with a faint hint of plum followed with subtle touches of cedar and coco all expressing in harmony. On the palate, the wine is forward, full, expressive and well-structured from the first sip. Effortlessly flowing forward with smooth richness and an elegant dominance of weight and texture. Flavors of black cherry, currant, and dark bittersweet chocolate are beautifully balanced with sweet cedar notes, culminating in a lush, rich, and lengthy finish.

This wine is destined to become another **classic vintage of the decade**. Its impeccable structure is impressive—bold and captivating now. This wine is fresh, full and vibrant with purity and elegance. With time in the bottle, it will only continue to reward those who cellar it for years to come.
