2023 Pinot Noir Rosé

Technical
Varietal Composition:
100% Pinot Noir

Source:
Lake Chelan AVA
Tunnel Hill Vineyard

ABV: 12.8%

Cases Produced: 105

Winemaker's Note:

Sourced from the beautiful south shore of Lake Chelan, this Pinot Noir will be a perfect addition to your late summer sipping lineup! On the nose, you will find refreshing notes of Rainier cherries and lemon zest; while your palate will find flavors of pomegranate and raspberries complimented by the smooth, yet zippy acidity. We recommend enjoying this wine with thyme roasted chicken and grilled garden corn.
