WALLA WALLA VALLEY

#### TASTING NOTE

"Aromatics of spice, toasted oak and black plum lead to flavors of anise, cherry cola and black cherry. This has a very balanced and silky tannin structure and is full bodied. There is a bright acid that is mouth watering on the finish along with cedar, blackberry jam and a sweetness from the barrel."

#### VINTAGE NOTE

The 2020 growing season proved to be an excellent year. Quality from this vintage has proven excellent due to stellar weather. Beautiful growing conditions during maturation and low disease pressure gave our winemakers a promising start. Smaller-than-anticipated tons per acre and relatively small berry size allowed the grapes to ripen earlier than prior years. The vineyard teams harvested earlier than usual while the weather outside was ideal. Most lots expressed exceptional fruity characteristics and darker colors, promising more intense flavor concentrations in the end result. Ultimately, 2020 delivered a high quality harvest.

#### VINEYARDS

100% Waterbrook Estate Vineyard,

Deep, silt loam soils that hold moisture exceptionally paired with the diurnal shift — hot days and long, cool nights, which capture great acids and sugars — results in wines with concentrated and well-pronounced flavor.
