

WATERBROOK

WALLA WALLA, WASHINGTON

Sangiovese Rosé

2021 COLUMBIA VALLEY

TASTING NOTE

"Aromatics of red cherry and wet stone lead to flavors of strawberry, salmon berry and graphite. This wine has a very bright acid that is mouth watering and finishes with flavors of lime and fresh strawberries. Great acid makes this the perfect wine to pair with raw oysters, steamer clams, vegetable trays and sushi "

-John Freeman, Winemaker

VINTAGE NOTE

The 2021 growing season in Washington brought some of the warmest summer temperatures on record, and ultimately, a promising vintage with exceptional quality and flavors. A modest yield of smaller, beautifully ripe fruit was the theme across our Washington estates. Our Rosés from this standout vintage are fruity, spicy, and delicious.

Known for its many and varied microclimates (cool, warm, windy, hilly, flat), Columbia

Valley is the umbrella AVA under which many of the state's sub-AVAs fall.

While it contains 99% of wine grapes grown in Washington state, 6,851 of its acres are unique to the Columbia Valley and don't overlap another sub-AVA in the state.
