2021 DOLCETTO

TASTING NOTE

"Leather and cherry pie aromas lead to mouth watering flavors of pomegranate, goose berry and cherry plums. This is a light bodied wine with bright acid and finishes with tart cherry and raspberry flavors."

-John Freeman, Winemaker

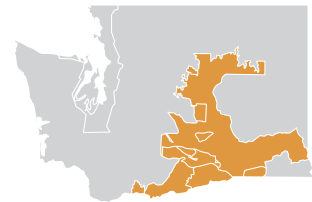

VINTAGE NOTE

The 2021 growing season in Washington brought some of the warmest summer temperatures on record, and ultimately, a promising vintage with exceptional quality and flavors. Soaring vineyard temperatures were part of a 10-day heat streak in early summer which, on the upside, helped prevent any disease from permeating the vines. Fortunately, our vineyard teams and management practices beat the heat and evaded damage. Veraison commenced in all our estate vineyards a few days ahead of last year. A modest yield of smaller, beautifully ripe fruit was the theme across our Washington estates.

VINEYARDS

100% Wittenberg Vineyard

One of the most diverse wine grape growing regions in Washington, its location in the rain shadow gives the Columbia Valley AVA 300 days of sun per year, which leads to wines with naturally bright acidity and fruity characteristics.
