TASTING NOTE

"Earthy aromas with dirt and sweet herbs, like sage, lead to flavors of red apple, fruit compote and a hint of fig. This is a medium bodied wine with soft tannins and finishes with a spicy, red cherry flavor. This is a fairly light wine that is fruit driven so pair it with lunch type foods such as a hero sandwich, spaghetti and meatballs, fried chicken and grits, and of course a nice juicy burger."

—John Freeman, Winemaker

VINTAGE NOTE

The 2020 growing season proved to be an excellent year. Quality from this vintage has proven excellent due to stellar weather. Beautiful growing conditions during maturation and low disease pressure gave our winemakers a promising start. Smaller-than-anticipated tons per acre and relatively small berry size allowed the grapes to ripen earlier than prior years. The vineyard teams harvested earlier than usual while the weather outside was ideal. Most lots expressed exceptional fruity characteristics and darker colors, promising more intense flavor concentrations in the end result. Ultimately, 2020 delivered a high quality harvest.
