

# WATERBROOK

WALLA WALLA, WASHINGTON

## ICON

2022 ROSÉ

COLUMBIA VALLEY

### TASTING NOTE

Aromas of citrus blossom lead to notes of gooseberry and pink grapefruit. Bright acid leads to a crisp, clean finish with lingering minerality. Pair with a fresh summer salad, butter-sage pasta, goat cheese, and seared scallops.

—John Freeman, Winemaker

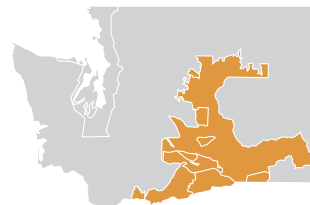

### VINTAGE NOTE

The 2022 harvest had a slow start in Washington due to an unusually wet and snowy spring. Despite a few days with temperatures breaking 100°F, temperatures across the state tended to stay within the optimal ripening zone throughout the summer months. While autumnal rain falls further delayed the completion of harvest until late November, fruit was plentiful. The white and rosé varieties from this 2022 vintage have shown lovely aromatics and acid.

### VINEYARDS

49% Canyon Vineyard Ranch,  
43% Willow Tree, 8% Alder Ridge

Known for its many and varied microclimates (cool, warm, windy, hilly, flat), Columbia Valley is the umbrella AVA under which many of the state's sub-AVAs fall. While it contains 99% of wine grapes grown in Washington state, 6,851 of its acres are unique to the Columbia Valley and don't overlap another sub-AVA in the state.

### WINEMAKING

VARIETAL BLEND: 50% Grenache,  
50% Sangiovese

AGING: 3 months in stainless steel

TA: 8.77 g/l | PH: 3.24
