WINEMAKING NOTES:

A new twist on one of our fan-favorite holiday inspired Z Wine Lab releases, Peppermint Mocha offers a whole new level of rich indulgence. This white wine base was infused with dark chocolate before being aged with dark roast coffee beans and over 300 candy canes! Fortified to 18% alcohol, Peppermint Mocha balances full and complex notes from the chocolate and coffee with the light and refreshing flavors of peppermint.

Z Wine Labs is a line of experimental wines produced here at Zorvino Vineyards. 25 to 30 different creative and exciting flavors are released in small batches throughout the year, intended to push the boundaries of winemaking and challenge the expectations of our customers. There's something for everyone at Zorvino!
